#### Synopsis:

Help children gain insight into health as a complete state of physical, mental and social well being, with all of the Broadway and beyond sing-along songs, relaxation exercises, activities and engaging radio -call in style Q/A with children and health professionals.

#### Dove Worldview:

Three ingenious CDs that contain enlightening information for your children regarding their well being. This set brings together the sounds of Broadway music and the old fashioned radio show format, education on health, happiness and relationships. There is an amazing combination of information that will be helpful for everyone in their lives. These CDs are not only educational but entertaining too. We award the Dove "Family-Approved" Seal to "Best of Broadway & Beyond: Health Series" (Triple CD Set).
